

International Women's Day 2017

Courage to hope - joy to share

Let's meet, migrants and non-migrants.

Let us find out if sharing and communicating gives us support, let us not stop and try again and again.

Please bring a self-made picture or poem, a song or a tale, food and drinks or whatever you would like to share.

Everyone is warmly welcome on **Thursday, 9th of March, 7.30 p.m.**

in the ÖJAB Haus library, Campus 2, Eisenstadt

A project initiated and carried out by Ilse Hirschmann in cooperation with Europahaus Burgenland-Akademie Pannonien, supported by Somahlbrahimi, journalist from Afghanistan.
